New Application System – Instruction for Students

- 1) At the Canada-Japan Co-op Program homepage, please click on the last link under “Information and Publications”. The link is also available in the students section (The top link on the right)

The screenshot shows the homepage of The Canada-Japan Co-op Program. At the top left is the logo and name. A search bar is on the top right. Below is a large image of a person in a bamboo forest. A navigation menu is below the image. The main content area has a heading "Welcome to The Canada-Japan Co-op Program" and a paragraph of text. On the right, there is a list of links under "INFORMATION AND PUBLICATIONS", with "Student Application" circled in red. Below that is a "NEWS AND UPDATES" section with a "Recruitment" link. An "Edit" button is at the bottom right.

Welcome to The Canada-Japan Co-op Program

The Canada-Japan Co-op Program (CJCP) is a Canadian university/college based, international co-op/internship program linking some of the best engineering, science, business and arts discipline undergraduate and graduate students from across Canada with highly committed Japanese businesses. The Canada-Japan Co-op Program formally integrates a student's Canadian academic studies with valuable work experience in a Japanese company. The program is open to Canadian universities and colleges and is currently administered from The University of British Columbia. For more information, please contact Yuko Nemoto, Program Assistant at coop.japan@ubc.ca.
