Have you reviewed the section of Prospective Students on the website? <http://thecoopjapanprogram.com/students/prospective-students/>

Have met the following program eligibility/requirements:

- Are you a co-op student from the CJCP member institution?
- Will you have at least one full-time academic term left to complete after the work term in Japan?
- Have you completed/will you complete at least one Japanese language course (credit or non-credit) prior to departure?
- Have you completed/will you complete at least one co-op work term before commencing the work term in Japan?
- Do you understand that all students who secured a co-op position in the program are required to attend a mandatory pre-departure Training Week in Vancouver (if placed prior to Training Week facilitated in May)?

If you have “YES” for all items, please complete the online application form.

Thank you.
